To the Shareholders

Dear Sirs or Madam,

GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

INTRODUCTION

By the resolutions passed at the 2001 Annual General Meeting, the Directors were granted a general mandate to repurchase the Shares and a general mandate to allot, issue and deal with the Shares. These mandates will expire at the conclusion of the forthcoming Annual General Meeting. Resolutions will be proposed at the Annual General Meeting to seek Shareholder's approval for the renewal of these general mandates.

The purpose of this circular is to provide you with information regarding the Repurchase Mandate, Share Issue Mandate and extension of Share Issue Mandate to enable you to make an informed decision on whether to vote for or against the proposed ordinary resolutions at the Annual General Meeting.

LETTER FROM THE CHAIRMAN

GENERAL MANDATE TO REPURCHASE SHARES

An ordinary resolution will be proposed at the Annual General Meeting which, if passed, will give the Directors a general and unconditional mandate to exercise the powers of the Company to repurchase Shares at any time until the next annual general meeting of the Company following the passing of the resolution or such earlier date as stated in the resolution up to maximum of 10% of the aggregate nominal amount of the issued share capital of the Company at the date of passing the resolution.

An explanatory statement as required under the Listing Rules to provide the requisite information regarding the Repurchase Mandate is set out in Appendix to this circular.

GENERAL MANDATE TO ISSUE SHARES

An ordinary resolution will be proposed at the Annual General Meeting which, if passed, will give the Directors a general mandate to allot, issue and deal with new Shares at any time until the next annual general meeting of the Company following the passing of the resolution or such earlier date as stated in the resolution representing up to 20% of the aggregate nominal amount of the issued share capital of the Company at the date of passing the resolution.

In addition, if the Repurchase Mandate is granted, an ordinary resolution will be proposed at the Annual General Meeting providing that any Shares repurchased under the Repurchase Mandate (up to maximum of 10% of the issued shares as at the date of the granting of the Repurchase Mandate) will be added to the total number of Shares which may be allotted and issued under the Share Issue Mandate.

ANNUAL GENERAL MEETING

The notice of Annual General Meeting, which contains, inter alia, ordinary resolutions to approve the Repurchase Mandate, Share Issue Mandate and the extension of the Share Issue Mandate, is set out in the Annual Report accompanying this circular.

A form of proxy is enclosed with the Annual Report for use at the Annual General Meeting. Whether or not you are able to attend the meeting, you are requested to complete and return the form of proxy in accordance with the instructions printed thereon as soon as possible and in any event not less than 48 hours before the time fixed for holding the Annual General Meeting. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the Annual General Meeting should you so desire.

LETTER FROM THE CHAIRMAN

RECOMMENDATION

The Directors consider that the grant of the Repurchase Mandate, Share Issue Mandate and the extension of the Share Issue Mandate are in the best interests of the Company. Accordingly, the Directors recommend you to vote in favour of the ordinary resolutions to be proposed at the Annual General Meeting.

Yours faithfully,
By Order of the Board
Kwok Ho
Chairman

This explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules. Its purpose is to provide Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued and fully-paid share capital of the Company was 1,920,000,000 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 192,000,000 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders.

3. FUNDING OF REPURCHASES

In making repurchases, the Company may only apply funds legally available for such purposes in accordance with its memorandum and articles of association and the laws of the Cayman Islands.

On the basis of the consolidated financial position of the Company as at 30th June, 2002 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of issued Shares now in issue, the Directors consider that there might be an adverse impact on the working capital position and the gearing position of the Company in the event that repurchases of all the Shares, the subject of the Repurchase Mandate were to be carried out in full during the period of the Repurchase Mandate. No repurchase would be made in circumstances that would have a material adverse impact on the working capital position or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements as at 30th June, 2002).

4. PRICES OF SHARES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months and preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest	Lowest
	traded price	trade price
	<i>HK\$</i>	<i>HK\$</i>
October 2001	2.500	1.950
November 2001	2.600	2.075
December 2001	2.600	1.980
January 2002	2.200	1.790
February 2002	2.350	2.025
March 2002	2.800	2.125
April 2002	2.975	2.525
May 2002	2.875	2.475
June 2002	2.825	2.325
July 2002	3.050	2.275
August 2002	2.600	2.050
September 2002	2.600	1.950

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the memorandum and articles of association of the Company and the laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No connected persons have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is granted by the Shareholders.

6. HONG KONG CODE ON TAKEOVERS AND MERGERS

If a Shareholder's proportionate interest in the voting capital of the Company increases as a result of a share repurchase, such increase will be treated as an acquisition for the

purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a general offer for shares under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Kwok Ho had, together with his associates, direct and/or deemed interests in Shares representing approximately 54.48% of the issued share capital of the Company. To the best of the knowledge and belief of the Company, Mr. Kwok Ho together with his associates, is the only person beneficially interested in Shares representing 10% or more of the issued share capital of the Company.

In the event that the Directors exercised in full the power to repurchase Shares which is proposed to be granted pursuant to resolution 5A set out in the notice convening the Annual General Meeting, the direct and/or deemed shareholdings of Mr. Kwok Ho, together with his associates, in the Company would be increased to approximately 60.53% of the issued share capital of the Company. The Directors believe that such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

7. SHARE REPURCHASES MADE BY THE COMPANY

The Company has not purchased any of its Shares during the six months proceeding the date of this circular.
